This product is not hazardous and non-toxic. This product remains stable in its original packaging, away from direct sunlight.

Storage
This product is to be stored in a cool, dry place. Please ensure that the product is sealed, and stored clean, dry and away from direct sunlight.

Assay Testwork
All standards are tested thoroughly in the Geostats bi-annual laboratory survey. This involves assaying by multiple laboratories from around the world. Results are compiled into a comprehensive report detailing statistics for each standard. Assay distributions are checked and processed statistically, producing monitoring statistics for these standards. Materials are tested regularly to ensure minimal contamination from outside sources during shipment, use and storage.

Stability
This product remains stable in its original packaging, away from direct sunlight.

Material Safety
This product is not hazardous and non-toxic.
